

ARE YOU AT RISK OF HEPATITIS C?

EASTERN LIVER
NETWORK

**Have you ever, or are you currently injecting
performance-enhancing drugs?**

If so, you could be at risk of Hepatitis C

GET TESTED!

Treatment Centres

Addenbrooke's Hospital
Basildon Hospital
Bedford Hospital
Ipswich Hospital
Luton&Dunstable Hospital
Norfolk&Norwich Hospital
Peterborough Hospital

See your GP for a test

What happens if it's positive?

If your test is positive your GP will refer you to your local treatment centre for review

There are new, well tolerated, short courses of treatment which are over 90% effective.
